Introducing V- Carve™ to the surface of the Acusti-fi™ material creates a composition of depth. This technique presents a single-tone solution that adds contrast and luxury to partitions and walls.

Talk to us about creating custom V- Carve™ patterns for your space.

Patterns are designed to 47” W x 95” H panels. V- Carve can be applied to one surface of the 9mm Acusti-fi acoustic felt.

V-Carve can be achieved on one face of the 9mm Acusti-fi™ material. If a double-sided V-Carve panel is required, two sheets will be needed.
Open sight lines while you style your space by adding cut patterns to the Acusti-fi™ material. This line of patterns includes a host of personalities with opportunities to create beautiful compositions.
